

Lobby Teller Services Temporarily Moved to Our Drive-In Lanes

Out of consideration of our customers and employees,
lobby teller services are available exclusively through our
Drive-In Lanes located at 210 W Third Street.

We will continue our normal Drive-In hours,
7:30 am – 5:00 pm.

Our employees at the Main Bank and Loan Department can
be reached by phone and email.

We also encourage the use of our online banking,
depository ATM machines, and Debit Cards including Apple
Pay, Google Pay, and Samsung Pay as methods of social
distancing.

We appreciate your business and ask for your patience as
we implement these temporary changes for the protection
of our customers and employees.

Due to the COVID-19 Virus and Out of Consideration of our Customers and Employees,

Share Facts About COVID-19

Know the facts about coronavirus disease 2019 (COVID-19) and help stop the spread of rumors.

FACT
1

Diseases can make anyone sick regardless of their race or ethnicity.

Fear and anxiety about COVID-19 can cause people to avoid or reject others even though they are not at risk for spreading the virus.

FACT
2

For most people, the immediate risk of becoming seriously ill from the virus that causes COVID-19 is thought to be low.

Older adults and people of any age with underlying health conditions, such as diabetes, lung disease, or heart disease, are at greater risk of severe illness from COVID-19.

FACT
3

Someone who has completed quarantine or has been released from isolation does not pose a risk of infection to other people.

For up-to-date information, visit CDC's coronavirus disease 2019 web page.

FACT
4

There are simple things you can do to help keep yourself and others healthy.

- Wash your hands often with soap and water for at least 20 seconds, especially after blowing your nose, coughing, or sneezing; going to the bathroom; and before eating or preparing food.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

FACT
5

You can help stop COVID-19 by knowing the signs and symptoms:

- Fever
 - Cough
 - Shortness of breath
- Seek medical advice if you
- Develop symptoms

AND

- Have been in close contact with a person known to have COVID-19 or if you live in or have recently been in an area with ongoing spread of COVID-19.
